## Staff Report

**Meeting Date: September 15, 2022**

### **Item description/summary:**

**Intermittent/ Seasonal Firefighters:** We have hired two intermittent/seasonal firefighters using OPUD policy. We do not have any more candidates at this time for the third position, I am recommend posting the job at Yuba County Fire Departments. I am recommending sending the Job description to all Yuba County Fire Departments. I feel that we should try to see if any of the eight Yuba County Fire Departments that are receiving Measure K funds have qualified firefighters before hiring outside our County. We are trying to help out one of the Yuba County Firefighters first with the funding from Measure K.

### **Fiscal Analysis:**

Funding will be from Measure K.

### **Employee Feedback**

Staff are happy that we are attempting to hire a current Yuba County Firefighter before opening job to outside firefighters.
