

Olivehurst Public Utility District

Committee Staff Report

Meeting Date: September 16, 2021

Item description/summary:

Surplus of Apparatus: The department would like to surplus Engine 326. E326 fire truck has been in service for 32-years. The engine has depreciated well past its life expectancy. After review and discussion with finance manager we feel the best thing is to surplus the engine.

Fiscal Analysis:

Employee Feedback

Sample Motion:

Consider approving staff to surplus E326 1989 GMC top-kick fire truck per OPUD policy and procedures.
