## Agenda Item Staff Report

**Meeting Date: December 16, 2021**

### Item description/summary:

**VRA ward-based voting update.** The consultant has provided 3 different map versions for the Board's review. Draft Plan A has minimal changes. Adjusting only for population. Draft Plan B focused on putting areas together that are contiguous. Draft Plan C looked to keep the west side of River Oaks Blvd together, prioritized functional contiguity, and followed major roads. The consultant will be available at this meeting to answer questions about the criteria used in the mapping. Additionally OPUD legal counsel provided a schedule at the November Board meeting which we will use to keep us on track to move to ward-based voting in the 2022 election.
