My name is Kara. I am a Plumas Lake community member. I don't know if you saw my post on "the chatter" regarding Ronn Coffman, a beloved community member that recently passed away from cancer? He was such a special human, and loved by so many in our community. You could say he was the unofficial dog whisperer of Plumas Lake.

I am writing to ask what I can do to get a memorial bench at the park he frequented, to honor him as a beloved community member, Vietnam War veteran who received many accommodations for his bravery, I might add, and a place where his wife could come and sit after walking his service dog Lovey? We will provide the plaque and wish to have OPUD attach it.

Please let me know what I can do.

Sincerely,
Kara Wininger
