## Agenda Item Staff Report

Meeting Date: November 21, 2019

### Item description/summary:

**OPUD steel water main replacement.** We have been working on securing a grant through the Integrated Regional Water Management Plan (IRWMP) for a few years now. The Yuba IRWMP group has decided that we as a region will have a better chance of receiving the grants if we propose some matching funds with our projects. The recommended match for this project is \$1M which is roughly one third of the project cost. We have solicited the Yuba Water Agency for a grant for these funds. The grant applications are due in late November.
