Agenda Item Staff Report

Meeting Date: October 21, 2021

Item description/summary:

Prop 68 Per Capita Grant – splash pad at Olivehurst Community Park. This item was discussed at committee. We discussed the installation of a spray pad (spray park) at Olivehurst Community Park. The project application for the grant is due in December. Additionally, the \$177K grant would require a 20% match that can be accomplished by labor, staff time for grant application and administration, as well as volunteer labor hours.

Fiscal Analysis:

Match would be about \$35,000 and would come from staff time contributions and possibly from park development fees from surrounding areas.
