Mr. John Tillotson
Olivehurst Public Utility District
P.O. Box 670
Olivehurst, CA 95961

**RE: APPROVAL OF SUPPLEMENTAL ENVIRONMENTAL PROJECT (SEP)
OPEN BURN – 3908 MARY AVENUE, OLIVEHURST, CA 95961**

Dear Mr. Tillotson,

The District reviewed the Supplemental Environmental Project (SEP) Plan submitted on February 27, 2019. The proposed scope of work to purchase a 13-horsepower wood chipper to mitigate emissions from open burning is acceptable as stated in the plan. The District grants this approval of the plan providing the following are met.

1. After purchase of the chipper, maintain a copy of the purchasing invoice and submit a copy in the final report;
2. Photograph the proposed chipper and submit a copy of the photograph in the final report;
3. Submit a final report to the District due within 30 days of purchase but no later than July 31, 2019. The report shall detail the total actual costs of the project, the picture of the chipper, and any adjustments or changes to the original SEP calculations or analyses.

If you have any questions, please contact me at (530) 634-7659 extension 205.

Sincerely,

Karla Sanders
Air Quality Compliance Supervisor
