

To Chief York,

I Jonathon Galluzzo am asking you to reconsider and reinstating with my previous longevity and rate of pay. I had taken a position with the Stockton Fire Department after three years of employment at the Olivehurst Fire Department. SFD did not work out as I intended, I was fortunate to be offered a seasonal position and then was moved into the full time position. I am grateful for the opportunity and am ready to get back to work. Thank you for your consideration

Sincerely,

Jonathon Galluzzo
