Agenda Item Staff Report

Meeting Date: March 17, 2022

Item description/summary:

South County Infrastructure Update. This item has been discussed in numerous Board meetings and committees. We are at 90% on the design. CEQA and property acquisition continue. We are working on the remainder of the required agreements with Wheatland with the help of OPUD legal counsel as the agreements are quite complex. The team has changed the CEQA work to CEQA + so that we're eligible for SRF funding. We should have the results soon of the funding study that the County and YWA have had done. We have met with Robert Bendorf regarding being the 'point person' for the funding. We are talking with the tribe and another property owner about possible lift stations on their property.
