Agenda Item Staff Report

Meeting Date: December 17, 2020

Item description/summary:

South County Infrastructure Update. This item has been discussed in numerous committee and Board meetings. We have received a request letter from the City of Wheatland on the amount of flow/capacity they're requesting. The design team for the project is preparing a change of scope proposal to include the Wheatland connection to wastewater. Robert Bendorf, Kevin Mallen and the County are having a feasibility study conducted on the possibility of local funding for this project. The results should be available by February.
