

# Olivehurst Public Utility District

## Agenda Item Staff Report

Meeting Date: 08/20/2020

### Item description/summary:

***Consider choosing a primary and secondary color for Playground Equipment at Riverside Meadows Park***

This Riverside Meadows Park off of Cimarron Drive in Plumas Lake is currently under construction. Typically, playground color is specified on the plan and is not a decision made by the board. This park however, did not call out a specific color or scheme so the contractor is requesting that we provide input on the color. The parks committee discussed this but wanted some options given to the full board for consideration. Some suggestions for color combinations are blue and gold, green and tan, and blue and white. Other suggestions are welcome as well.

### Fiscal Analysis:

N/A

### Employee Feedback

N/A

### Sample Motion:

Approve submitting the chosen color combination to the contractor for use at the Riverside Meadows Park.

Prepared by:

Christopher Oliver, Public Works Engineer
