Agenda Item Staff Report

Meeting Date: 06/17/2021

Item description/summary:

Discuss naming two parks in River Oaks South

Per the board's direction from the last board meeting, a poll was created on SurveyMonkey and distributed via social media for input on park names. We have had over 250 responses to the survey. I have attached the SurveyMonkey analysis screen which shows the park names and number of votes. Tyler Phillips Memorial Park was suggested 11 times in the "other" category and was added as its own option briefly after. However, since many had already completed the survey, it didn't get many votes past that. Gary Bradford was also suggested in the "other" category approximately 50 times.
