Liability Insurance Certificate and Endorsement

Olivehurst Public Utility District

The undersigned does hereby agree to comply with the current Olivehurst Public Utility District Standard Specifications and details and Olivehurst Public Utility District Sewer Use Ordinance, and with the General Provisions and Special Conditions as stated on this permit. The undersigned shall be responsible for all claims and liabilities arising out of work performed pursuant to the Water/Sewer Service Connection Permit, or arising out of the undersigned and his/her agent's failure to perform any of the requirements of the Permit. The undersigned hereby agrees to indemnify, defend and hold harmless the Olivehurst Public Utility District, its officers, agents, and employees, from any and all liabilities, claims, losses and expense, including attorney's fees, caused, in whole or in part, by the willful or negligent acts or omissions of the undersigned, or undersigned's contractor, in performing the work authorized under this Water/Sewer Service Connection Permit. The application MUST be signed by the owner.

Signature of Owner: _____ Date: _____

Name: Name of party responsible for work. Must be consistent with person/company as shown on insurance.

Description of work: Plan (3 copies) should include: structures, sidewalks, driveways, etc., as well as proposed construction, street names and addresses included. Also, construction details should include dimensions and specify materials to be used.

Project Cost Estimate: This amount is an approximation of the costs of construction in County right-of-way only.

Insurance: A certificate of insurance naming the Olivehurst Public Utility District as additionally insured is required. The limits are \$1,000,000.00 each occurrence and \$2,000,000.00 aggregate. An endorsement must also be provided.

Signature: The owner MUST sign the permit application.

U.S.A. Ticket: Underground Service Alert, all underground services must be located prior to starting work.

Inspection: Call for inspection 48 hrs. in advance of construction (530) 682-0624 or (530) 743-8132.

GENERAL PROVISIONS

1. **VALIDATION** - This permit is not valid unless signed by the District Engineer or his authorized representative.
2. **REVOCAION** - This permit is non-transferable and is void if work is not completed prior to expiration date. An extension may be granted if such extension is requested forty eight (48) hours before the permit expires.
3. **ACCEPTANCE OF PROVISIONS** - It is understood and agreed by the Permittee that the performance of any work under the permit shall constitute an acceptance of the provisions.
4. **KEEP PERMIT ON JOB SITE** - Permit shall be kept on the job site and must be shown to any official of the District upon request.
5. **INSPECTION AND APPROVAL** - A minimum of twenty-four (24) hours notice shall be required prior to placing any backfill, connection to any existing facility. Inspection shall not be deemed a waiver on the part of the District of the right to demand correction of defects discovered at a subsequent date.
6. **STANDARD SPECIFICATIONS** - All work shall conform to the Olivehurst Public Utility District current Construction Specifications, Improvement Standards and Standard Drawings and Sewer Use Ordinance.
7. **FAILURE TO COMPLY WITH GENERAL PROVISIONS** - The Permittee agrees to reimburse the District for performing all work and furnishing all material to correct any failure to comply with these provisions, as well as Olivehurst Public Utility District's Sewer Use Ordinance and standards and specifications currently in effect.
8. **NOTIFICATION TO UTILITY COMPANIES** - Notification shall be given through Underground Service Alert (800) 642-2444 or (800) 227-2600. Valves on water mains may not be turned off without permission of the District Engineer or his authorized representative.
9. **CLEANUP OF JOB SITE** - Permittee will remove all refuse material from the job site immediately after completion of the work.
10. **MAINTENANCE AND REPAIR** - The Permittee is responsible for the maintenance and repair of all work performed in the County right-of-way related to this permitted project for a period of one year after acceptance by District.
11. **FEES AND CHARGES** – The Permittee shall be required to pay all applicable District fees and charges as described in the Application. Capacity Fees shall not be subject to refund if the project is delayed or discontinued, but will remain on file and the amount paid shall be considered as a credit against District capacity fees in effect at the time connection is ultimately made. Inspection fees shall be subject to refund as to any unused portion not expended at the time the project is discontinued or terminated.
