

Olivehurst Public Utility District

Agenda Item Staff Report

Meeting Date: 10/17/2024

Item description/summary:

Surplus of 1 OPUD WWTF Department Truck and 1 OPUD WWTF Department 8" pump. The Wastewater Department has purchased and received delivery of new crane truck. As such, one vehicle needs to be disposed of. There is a 1997 Freightliner FL70 Crane Truck (213), vin# FU6HJAC9UH8Q5557. The Wastewater Department also does not need the Power Prime 8" pump. It is too big for our needs. We have purchased a 6" pump that will fit our needs and is easier to move around. As such, one pump needs to be disposed of. That pump is a Power Prime 8" pump. With the Boards approval we intend dispose of this vehicle and pump in accordance with OPUD's policies and procedures.

Fiscal Analysis:

None

Employee Feedback

None

Sample Motion:

Move to authorize surplus and disposal of OPUD's Wastewater Department 1997 crane truck and 8" pump per OPUD policies and procedures.

Prepared by:

Larry Teal, Wastewater Operations Manager
