

General Manager Report of Activities for September/October 2024

October 31, 2024

Building Permits	We have had 29 since the beginning of September.
Sports, Entertainment and Industrial Infrastructure	The environmental review on the grant is wrapping up and we are getting close to submitting the financial portion for review. As you all are aware of, we are expected to receive a \$30M grant from the state. YWA is working on the binding funding agreement. We are working on an EDA grant for about \$20M.
Fire Dept.	We are in the middle of a Municipal Services Review (MSR) with Yuba LAFCO
Ad-Hoc Committees	Currently we have the following ad-hocs: audit, and South County infrastructure, South County Infrastructure Funding and County liaison.
IRWMP Grants	The steel main project has been started.
Water Treatment Plants	Filter addition project at Plumas Lake WTP has started back up to complete the project as planned. The plant will be down for a couple weeks to finish it. The project is behind a couple weeks and should be complete by mid November
Parks Master Plan	We have reviewed drafts of the new parks master plan and should have drafts for the Board soon. Consultant is in the final stages of completion.
Wastewater and Water Capacity Fee Updates	The Board selected EPS/Jacobs Engineering to complete the study. The study is underway, and we should have a draft soon. We just started the water capacity fee update through EPS.
OPUD Pool	The pool season was a success! We will now start preparation for next year.
